

Simple Life Envoys

Making a difference in the place you live.

Envoys are the voices that move our communities forward - groups of volunteer residents who collect and share feedback, ideas, and help make plans for the future all while having fun doing what they enjoy most.

ARC Envoy - Eye for Detail

Give the “go-ahead!” for home enhancements and help set standards for moving forward.

Improvement Envoy - Growing Together

Loan out tools to homeowners (for free!) at the Community Tool Shed and help recommend service providers for things regularly needed.

Communication Envoy - Spread the Word

Help neighbors understand community guidelines and keep Simple Life in the know about suggestions and satisfaction!

Dog Park Envoy - Four Legs & a Heart

Help maintain the perfect play space for our furry family members. Present the Paw Award to one lucky pet each month!

Garden Envoy - Dig It

Plant and nurture community vegetable, flower, and fruit gardens.

Social Envoy - Friendly Faces

Welcome new residents and meet with prospective buyers to share how special life is here.

Resale Envoy - Knack for Sales?

Market and sell pre-owned cottages in the community.

ENVOY INTEREST SIGN UP

Kindly let us know which Envoy group you would like to get involved in and why. We hope to see 3- 4 residents participate in each group for a period of 12 months. Terms may vary or be extended after an initial 12 months so we can rotate and share the fun. Residents only please, no guests.
