Live large. Carry less.

MEADOWS TRASH GUIDELINES

- Residents of The Meadows are responsible for discarding their own trash at the designated dumpster station.
- Do not discard garbage, cardboard, or other debris outside of the dumpsters and/or in the dumpster enclosure area.
- Before disposing of boxes in the dumpsters, please first collapse and flatten them.
- Unbagged items or those that are too large for dumpster disposal (e.g., furniture, mattresses, etc.) must be discarded off site.
- If your home is occupied by renters, please provide them with a copy of these guidelines. Thank you!
